New Financial Year (2022-23) information for Endeavour Foundation Employees.

Accessing your 2021-2022 Income Statement *(formerly known as a 'Payment Summary or Group Certificate')*

Just like last year, your financial year
Income Statement will be lodged directly
with the Australian Taxation Office (ATO)
and can be accessed via your **myGov**
account.

If you set-up your **myGov** account last
financial year and linked in to the ATO
Online Service, then you do not need to
do anything further.

If you have not yet set-up your myGov account, these instructions might assist you:

- If you do not have a myGov account, you will need to set one up and link it to the **ATO Online Service** to access your Income Statement.
- Your myGov account can quickly and easily be set up online via www.my.gov.au
- The ATO can help you set up your myGov account. Visit www.ato.gov.au
- Once you have set up a myGov account, it will need to be linked to the ATO Online Service. This will allow you to download your Income Statement. The ATO can help you with instructions on how to do this.

Please note, payroll is unable to provide you with a copy of your income statement as this needs to be obtained through the ATO via **myGov**.

Visit:

<https://www.ato.gov.au/General/Online-services/Create-your-myGov-account-and-link-it-to-the-ATO/>

Once you have the **myGov** account set up and linked to the ATO online service, you can access the Income Statement by:

- Logging in to **myGov**.
- Selecting **Australian Taxation Office**.
- Selecting (from the top of the screen) **Employment** and then **Income Statements**.

All Income Statements for 2021-22 financial year have been finalised and will now appear as 'Tax Ready'
