Offboarding for Android BYOD Users

NDVR
Endeavour Foundation

When you leave the organisation, it's important that you remove any company data from your phone.

Here's how to un-enrol your device:

1 Open and sign into Company Portal Application

2 Tap '**Devices**' and select your device

3 Tap the three dots for '**Menu**' and tap '**Remove Device**'

4 Tap '**OK**' to confirm

5 Remove the app by tapping '**Settings**' → '**Apps**' → '**Company Portal**' → '**Uninstall**'

6 All links to Endeavour Foundation and corporate data has now been removed.
