This document is about our **International Day of People with Disability** prize draw.

International Day of People with Disability is a day to celebrate people with disability.

We say IDPwD for short.

It happens on 3 December each year.

IDPwD helps to make the world more **inclusive**.

When something is inclusive everyone:

- can take part
- feels like they belong

To celebrate IDPwD we invite you to enter a prize draw.

You will enter the prize draw with the people at your site.

3 sites will win a prize.

The winning sites will be given \$500 each to have a party!

The **theme** of this activity is Proud To Be Me.

A theme is the main idea of something.

To enter the prize draw your site must create something about the theme.

This could be something:

- you plan. Like an event.

- you perform. Like a dance or song.

- you film. Like a movie or short video.

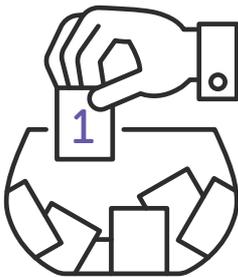

- you make. Like a drawing or artwork.

Your site needs to take photos or videos of what you create.

A staff member at your site will email these photos or videos to us.

Each site can only enter 1 time.

The prize draw closes on Friday 8 December.

We will let staff know who won on Thursday 14 December.
