Bold
Not bold

We have put hard words in bold.

This means the letters are thicker and darker.

We explain what these words mean.

This document will tell you about an app called **Cérge**.

Cérge is offering you a **paid work opportunity**.

What is Céрге?

Céрге is an app for people with disabilities.

The app works with businesses you trust to help give you good customer service.

There are different businesses on the app like:

- Cafes and restaurants
- Supermarkets
- Aquatic centres and sports centres

You can use the app to choose a place that you want to visit.

You can tell the place about your likes and dislikes before you go there.

This will make your time at the place better.

This is called inclusive storytelling.
