Salary package and save with AccessPay

Salary packaging: what's it all about?

Put simply, salary packaging allows you to increase your disposable income by reducing the tax you pay. It works by allocating a portion of your pre-tax income to the payment of certain expenses, such as your mortgage or rent, groceries and insurance. Here's how salary packaging compares with the way you may be paying these expenses now.

Access your funds whenever and wherever you need them

The AccessPay 2-in-1 Salary Packaging and Meal Entertainment card¹ gives you instant access to your salary packaging funds. So with AccessPay, you're never out of pocket, you just pay as you go. You'll also have access to savings and special offers through our Everyday Savings program.

¹ Please consider if this product is right for you. Read the [PDS](#) for more information. Click [here](#) for the Target Market Determination.

What can you salary package?

The more expenses you salary package, the more you'll increase your take home pay. Here are three of the benefits that can help you save!²

Everyday Purchases

Use up to \$15,900 per year³ (equal to \$611.54 per fortnight) of your pre-tax income for expenses you are already paying, including:

- rent or mortgage payments
- credit card and personal loan payments
- household utilities such as gas and electricity
- car expenses including petrol and registration.

How much can you save?

The amount of savings will depend on your income and the types of expenses you salary package. The following example shows the potential savings when \$611.54 per fortnight is allocated to Everyday Purchases.⁴

Gross annual salary	Savings per fortnight	Savings per annum
\$ 45,000	\$ 110	\$ 2,862
\$ 70,000	\$ 196	\$ 5,088

Entertainment Benefits

Capped at \$2,650 per year³, Entertainment Benefits are in addition to Everyday Purchases and include:

- meals and drinks consumed in a restaurant, café or hotel
- holiday car hire and/or accommodation
- reception venue hire
- external catering costs paid by you for private events.

A car (new or used)

Salary packaging a car – also known as a novated lease – is one of the most cost effective ways to buy and run a car. Like other salary packaging arrangements, you'll receive great tax savings, on the finance and running costs. Smartleasing, sister company of AccessPay, will manage your novated lease. Their huge nationwide buying power, together with no GST on the purchase price, means you'll save thousands before you've even taken delivery of your car.

Things to consider

Some salary packaging benefits are considered to be Reportable Fringe Benefits and may impact existing government or personal financial arrangements such as HELP/HECS debt, child support and Medicare levy surcharge. Contact AccessPay for guidance on setting up a salary packaging arrangement that works best for you.

² The availability of benefits and applicable limits are determined by your employer. Please refer to your employer's benefits policy.

³ This untaxed amount is a fringe benefit and therefore works on the FBT year of 1 April to 31 March.

⁴ Calculations are based on maximum expense items without GST and 2024 - 2025 income tax rates and do not consider individual financial circumstances such as HELP/HECS debt or other government benefits. Includes Medicare levy. Fees not included.
