

# Superannuation smartMonday

Imagine what's possible

smartMonday is Endeavour Foundation's superannuation provider.

Superannuation is like a special savings plan for the future.

## Why we picked smartMonday?

- They will pay back the member fee you were charged. You'll get a refund for some of the administrative costs.
- You can get advice from a smartCoach to help with your superannuation money in smartMonday at no extra cost.

It is your choice where you save up your superannuation money.

It's a good idea to talk to someone who knows about money to help you choose what's best for you.
