### Internal Protocol for the Endeavour Foundation Group

*The Endeavour Foundation Group acknowledges the Traditional Owners of Country throughout Australia and recognises the continuing connection to lands, waters and communities. We pay our respect to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples.*

### About our Guides

This guide has been developed to provide an overview of introductory respectful language and protocols in creating cultural safety at the Endeavour Foundation Group. This guide is not to replace consultation with Traditional Owners, local Elders and community. Consultation is essential and actions will depend on the preferences and respect of the peoples involved.
