## For Site Managers Strategic Plan 2025 to 2030

- **We're excited about our new strategic plan that measures our success in making a positive impact on the people we support.**
  - People we support are at the heart of everything we do.
  - We want to make possibilities a reality for the people we support.
- **Our plan focuses on five outcomes that are important to people we support.**
  - People we support must be safe and feel safe.
  - More people we support feel physically and mentally healthy.
  - More people we support feel they have greater choice in how they live their lives.
  - More people we support feel involved in their lives and community.
  - More people we support have a paid job that's right for them.
- **We will know we have succeeded in making a positive impact when:**
  - We see positive improvements for people we support.
  - We ask people we support how they are feeling so we can measure if what we do is making a positive difference.
  - People we support feel included, empowered and lead full and purposeful lives. where you can exercise choice and control.
- **There is more information about our strategic plan in:**
