

Community Solutions Corporate Wear Ordering Guide

Push Productions are the company Community Solutions Group have partnered with to supply our corporate wear range.

Community Solutions Group team members can choose to order corporate wear direct through the Push Productions online portal by logging in and paying via credit card.

New Push Partners portal

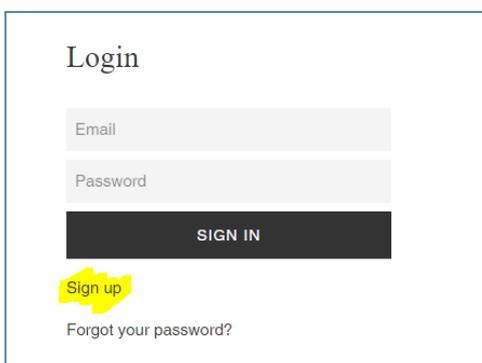

You are **required to use your Community Solutions email address** to register and access the online portal e.g., yourname@communitysolutions.org.au.

Getting started

1. Go to <https://pushpartners.com.au/>
2. Use the Log in link in the header of the site

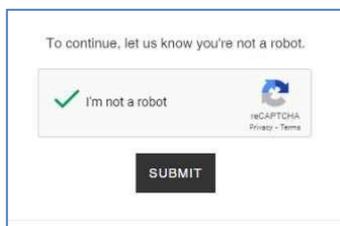

3. You're now on the account login page. If this is your first visit, use the sign-up link. If you're returning, simply use your email and password.

A screenshot of the Push Productions login page. The page is titled 'Login'. It contains two input fields: 'Email' and 'Password'. Below these fields is a black button with the text 'SIGN IN' in white. To the left of the 'SIGN IN' button, there is a 'Sign up' link highlighted in yellow. Below the 'Sign up' link is a link that says 'Forgot your password?'.

4. You **must** use your email address @communitysolutions.org.au to gain access to the Community Solutions online catalogue of apparel items.

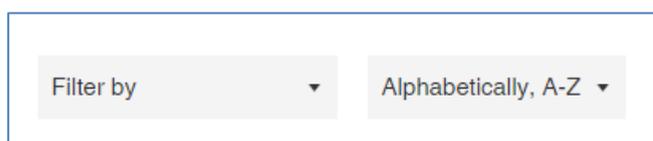

5. For security purposes, you'll have to satisfy a Google reCAPTCHA, as below.

6. You will then be directed to a login panel where you can now use the account details you've created to log in.
7. Once you've created your account, you'll receive an email with the subject "Customer account confirmation". This will arrive from orders@pushproductions.com.au. If this email doesn't arrive, please check your junk folder. You should 'Whitelist' this address in your junk mail settings, so that subsequent notifications from Push Productions aren't recognised as spam.
8. When you log in, you'll always land on your My Account page, which will show your order history and account details. To browse your apparel online, click the Push Productions logo to go to the Home page, or the catalogue link in the menu

9. While the home page displays all apparel items, the catalogue page includes the ability to filter your view.

10. All remaining functionality in the portal is standard eCommerce. Please note where freight applies, this will be calculated on the next page of checkout, AFTER you complete shipping address details.
