## Benefits at Endeavour Foundation

A benefit is something extra your job gives you to help or support you

### Health insurance

You can save money with Medibank Private health insurance. They give employees a 9% discount.

### Employee Assistance Program (EAP)

Our EAP provider Converge give us and our immediate families 4 free and confidential sessions of counselling, coaching or advice. Phone: 1300 687 327

### Free yearly flu shots

Stay healthy with our free flu vaccinations through Chemist Warehouse or we can give you back \$18 to get it at your doctors.

### Parental leave

New parents get six weeks of extra paid time at home with their baby on top of the government funded leave.

### Fitness passport

We have joined a program called Fitness Passport. It lets us use over 1,600 gyms, pools, and sports clubs at a lower price than a normal gym membership!

This means a cheaper way to stay active with more choice.
