- For many years we have asked families and carers for guidance and advice on our services so we can support people to live their best lives.
- We are now asking you directly for your advice and feedback on our services based on your experience and as a representative of people we support.
- We want to bring together people we support, families and carers and other experts who understand NDIS supports to give advice and feedback on our specific services.
- We want everyone to have a voice in shaping our services, so they reflect the diverse and changing needs of all individuals.
- Let me know if you are interested in joining an Advisory Group and we can support you to complete the online Expression of Interest Easy Read form.
