Get your FREE flu shot through our Vaccination Program

Monday 17 March - Sunday 22 June 2025

How can I access my free flu shot?

- Email flushots@endeavour.com.au and request your flu shot voucher code and instructions for making an online booking with Chemist Warehouse.
- If you don't want to book online – head into any participating Chemist Warehouse to make an appointment. Remember to have your voucher code with you.
- If you prefer, you can book a flu shot with your GP.

Retain your receipt so Endeavour Foundation can reimburse you to the value of \$19.00. Seek reimbursement from your Manager or Supervisor via a staff reimbursement Kofax coding slip.
